ST. CLAIR ARCADE

Way Back When...

1

The St. Clair High School of Old was a lot different from the one today. For example how would you like 1. to have your senior picture taken like the class of 01' no fuss, no mess, no bother, just stare into the camera. Girls basketball 2. certainly was different, can you imagine doing a lay-up in one of those uniforms? The first High School 3. was built in 1860 and in 1926 it had to be torn down and replaced by the present day Jr. High, because the old school was too small. 4. I wonder if those Saints are as tough as our super Saints today?

AT TODAY ... AND A LOOK

With a fresh, new look on the outside and several new classes in the inside, St. Clair High School has come a long way. With the addition of the marquee in the front and Computer and Swimming classes already underway, the Saints are moving on up!

A LOOK AT '82-'83

The 1982-1983 year has been the setting for many new and exciting happenings. 1. Like you know how to talk "fer" sure. This kind of talking like totally barfs me out to the max, but a lot of people seem to have caught Valley Girl Fever. It's just awesome. Check out the Valspeak dictionary. 2. Tragedy of all tragedies (almost), a season without pro football, definately an event for avid sports fans to remember. 3. Something new and exciting from the land of sunshine and palm trees. Walt Disney's Epcot Center a dream land full of surprises. 4. Another surprise from the future, it seems that our space program has come up with a better way to fly to the moon, with the Columbia and the Challenger space shuttles. 5. Remember last years royal couple, well Baby William makes three. 6. Is it a surprise to anyone (female) that Tom Selleck (alias Magnum P.I.) is our number one heartthrob.

THRU THE WEEK

Frogger has nothing on the students of SCHS as they try to make it through the week. Each taking the controls in their own hands everyone deals with the week in their own way just waiting for the weekend. (Upperleft counter-clockwise) Vern Westrick recuperated from his busy weekend. An unknown classperson deals with the pressures of Monday. Leah Greuber shows her enthusiasm for another week. "Ugh! Only three more days till Friday!" exclaims Mary Bond. Jill Rinke tries to work through the mid-week blues. Anticipation of the week-end, brings a smile to Kim Schweihofer, and Sue Johnson and Mary Karas make plans for their week-end. After the last bell rings the Cheerleaders celebrate.

URUGUAY—Hugo Portu pictured right, is our exchange student from Montevideo, Uruguay. Sponsored by Youth For Understanding (YFU), he arrived here in the U.S. last August and plans to stay with the Zobl's until July. When asked about his visit, he replied that the biggest difference between here and his homeland is the population. Montevideo, is over 100 times larger than St. Clair. In his spare time he enjoys soccer and Scouting. He is also interested in electronics and aviation as a career. Hugo came to America to learn about our way of life. Hopefully his experience as an exchange student has helped him to do so.

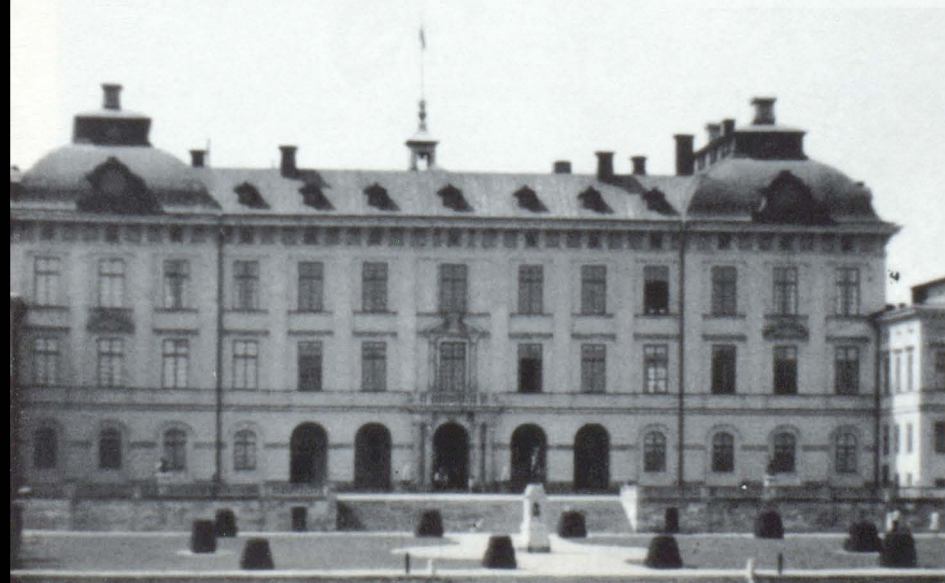

SWEDEN—In the spring of 1982 Lynn Huston recieved a scholarship from the St. Clair Lions Club to attend any foreign country she wished for six weeks, Vaxholm, Sweden was her choice. It is one of the main islands in a group of islands know as the Swedish Archipeligo just off the coast of Stockholm, the capital of Sweden. During her visit, Lynn and her family, the Llarssons, spent much of their time in their boat traveling to the different islands nearby. Taken from the boat, the picture to the right shows the King's Castle on the mainland in Drottingham. Pictured above, is Lynn and Patrick, a neighbor of her adopted family.

BRINGING DIFFERENT WORLDS TOGETHER

FINLAND—Judy Babcock spent a most interesting part of '82 in Pieksamaki, a city in Finland comparable to the size of Port Huron. Her adopted family was the Teitnens, Mr. and Mrs. and their two children, Tarja, 15 (pictured above) and Terhol, 14. Spending a part of her time at the family's cottage, Judy enjoyed windsurfing, swimming, and laying out in the sun, a favorite of the Finnish people. She recognized that the biggest difference between here and in Pieksamaki is the cost of living. a pair of jeans would cost at least \$50. Her trip was sponsored by the St. Clair Lions Club.

Homecoming this season was a great success. We not only had good weather for the game but also good participation in the activities that center around the game. Activities included: the float contest, the pep assembly, the homecoming dance, and spirit week activities. As for the game, a smashing win against Cros-Lex Pioneers--of course!

1) Mike "Flanch" Westrick, Matt Davis and Ryan Robinson struggle at the front of the tug o' war competition, which was one of the many events at the pre-game pep assembly. 2) "Master cheer leader", Wynn Pike, conducts the next cheer. 3) Last year's King, Jim Vandeusen, crowns this year's king, Rob Zickgraf.

The Student Council has taken an active part in school life this year. Spirit Week, Activities Week, and the Pep Assemblies are just a few of the many things the Student Council plans. 1. Jody Schweihoer takes her part in Student Council by getting the students opinions. 2. Mr. Vincent, the

advisor, thinks over the opinions and decisions the council has made. 3. President of the Student Council this year is Dawn LaDuke. 4. The 1982-1983 Student Council includes: (from front left) Courtenay Kinney, Dawn Bacon (Treasurer), Amy Sullivan (Secretary), Julie Gorecki (Vice-President), Dawn LaDuke (President), Amy Risk; (from rear left) Teresa Miller, Ginger Nesbitt, Chris Martinez, Jody Schweihoer, Vern Westrick, Marvin Bickley, Lisa Buslepp, Michele Gilleran, Barb Light. 5. NATIONAL HONOR SOCIETY

Do you know who organizes your Junior and Senior proms? Who designs your class floats? Provides Graduation Day floers? Still guessing? Well, it should be known that the Steering Committees are responsible for these acts. There are two Steering Committees, Junior and Senior, Sophomores function with only their Class Officers. These Committees consist of your class officers, and other student members. They form ideas for school activities, then vote for approval. Through their work, we get our proms, dances, flower sales, and floats. Each elected member has a say in what goes on, but the final decision rests upon the group as a whole, and with the advise of their advisors Mr. Roberts, Junior, and Mr. Weber, Senior Advisor.

To be a NHS member, you must maintain a 3.6 average as a Sophomore, a 3.4 as a Junior, and a 3.2 as a Senior. You must also be nominated by a faculty member. After nomination, the decision rests upon the person's character and service. Also, you must be active with one school activity, excluding the Society.

J. V. Football didn't have what you would call a successful year as far as the record went, 2-6. But individual improvement was tremendous. Being a small squad with many injuries also hurt the team. Toward the end of the year varsity reserves were brought down to help fill vacent spots. 1. #7 Kent Mann throws a bomb. 2. Two Saints' defenders pursue and bring down a Woodhaven runner.

VARSITY

The Saints' Varsity team got off to a good start this season. Under the new leadership of Mr. Tony Monte the Saints' had to learn new plays, new defenses, and many new concepts, as well as new positions for some players.

The second half of the season showed team improvement as the players became more accustomed to the new strategy. Coach Monte said he was very pleased with the team and is happy with the improvement.

Pictures-1. Saints get the jump. 2. Tom Winkler drives down court. 3. Eves does it with ease and style. 4. Jeff Ingles shoots for two.

BASKETBALL

J.V. PACKS IN THE POINTS

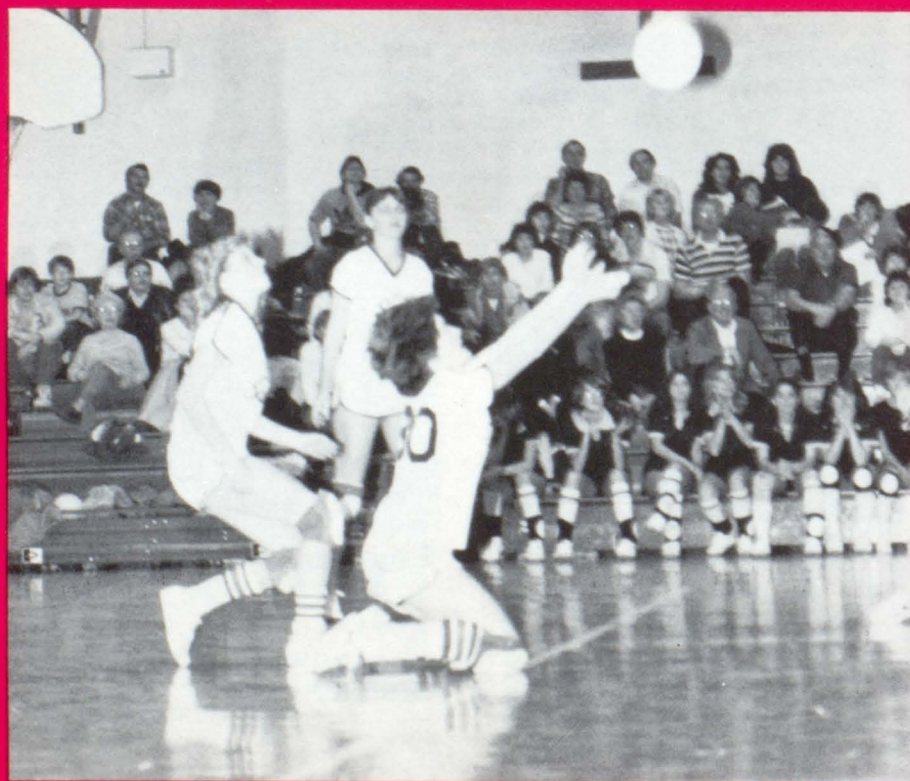

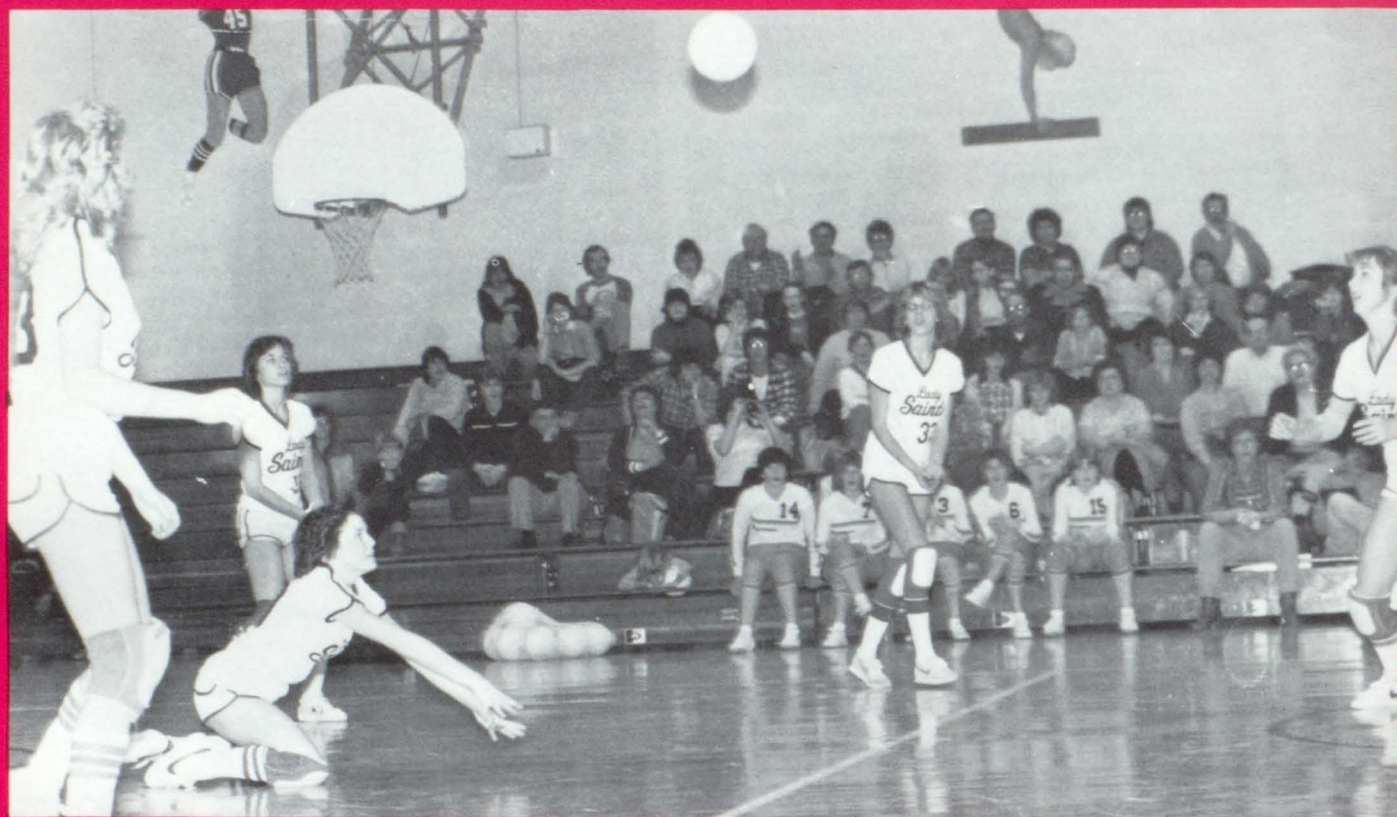

The J.V. Boys Basketball team under the coaching of Mr. Albrecht had a terrific season. With much work and dedication the team had earned an 8-3 record going into the last of the season. VOLLEYBALL TEAM

Although their record appeared mediocre at the end of the 1983 Varsity volleyball season, the Lady Saints did nothing but improve from beginning to end. Despite close loss after close loss, spirits remained high, but unfortunately so did their opponents' scores. Although many defeats were suffered, the team still put forth effort. Just take a look at our Lady Saints in action:

The St. Clair High School Junior's were trend setters. Throughout the year our Junior sports teams tried their hardest to do their best and with a few ups and downs they succeeded in doing so. Not only did the members of the sports teams succeed, but all the members of the Junior Class strove toward their ambitions and goals to be the best that they could be. One of the outstanding accomplishments of the Junior Class this year was the two of the three men who became members of the Cheerleading squad for the first time in recent memory. 1983's Juniors were real go-getters and are looking forward to their Senior year. Good Luck to the Seniors of '84.

1982-83 was a good year for the Sophomore class of 1985. It was a year full of enthusiasm and excitement. Even though their class is the smallest in the school, they have enough spirit and determination to make up the difference. If they keep it up, their next two years at SCHS will be ones to remember always. Good Luck!

*Should Your Senior
Picture be Different ?*

By all means your personal senior portrait should be different from everyone else's. This may mean special lighting, clothing, and poses—whatever it takes to capture you at your best.
No assembly line, please!

At our studio we're prepared to put out that special effort to make your senior picture one that "captures the real you", and one that is worthy of this important event in your life!
Call us and see the difference!

**When you look for a job,
they'll ask for experience.**

Whether you're headed on for more schooling or you're headed into the job market right now, one thing's for sure.

Employers are looking for experience.

When you look for a bank to begin handling your accounts you should ask for experience, too.

Experience means when you need a bank for more than saving and checking, they'll be able to handle your needs.

The bank with the most experience in St. Clair County is The Commercial and Savings Bank. We've been helping people and businesses continuously since 1871. That's experience!
